

Career Services and Counseling

Career counseling and Career services are available to any potential or current student unsure of a program choice. Career inventories and/or assessments are available. Program options and requirements may be discussed during the counseling session.

The Career Services Office assists students, graduates, and local employers with a variety of career-related services. Call 912-287-5813 to speak to someone in the Career Services office.

Internet Career Search:

Career Services provides assistance utilizing internet career searches for current and former students to use in searching local, state, and national job markets.

Career Services Seminars:

Career Services sponsors career-related seminars and other activities throughout the term. Information about upcoming seminars and activities is distributed to students through CPTC student e-mail accounts and is sent to program instructors. Popular seminars include Resume/Cover Letter Writing, Interviewing Skills, and Allied Health Careers. Faculty may request specific classroom presentations by the Career Placement and Development Coordinator.

Placement Services:

The Career Services and Counseling Department has contact with area employers on a regular basis. Job postings are forwarded to program instructors as job openings occur. Information regarding employment opportunities is also distributed to students through CPTC student e-mail accounts. Services are available to current students and recent graduates.
