

Counseling Services

Coastal Pine Technical College (CPTC) Counseling Services is to aid students in acquiring the appropriate skills, attitudes, abilities and insights that will enable you to reach your full potential while attending Coastal Pines Technical College. Counseling services are extended to any student at no cost who is interested in personal growth. CPTC's counseling services primary emphasis is on short term personal development counseling to better equip you/the student to deal with personal, social, academic and educational concerns. Counseling is available on all campuses by appointment with the Counseling and Special Services Director at 912-262-9995.
