

Graduation Rate

Every postsecondary education institution is required by law to disclose its graduation rates annually. The 2023 graduation rate based on IPED's data for Coastal Pines Technical College is 79.8%. This graduation rate reflects only full-time, first-time postsecondary students who began classes in Fall 2022 through Summer 2022. Approximately 84.38% of the students at CPTC are part-time and not included in this graduation rate.
