Admissions Information

Admissions Overview

The admissions policy and procedures of the State Board of the Technical College System of Georgia and the admissions procedure of Coastal Pines Technical College assure the citizens of Georgia equal access to the opportunity to develop the knowledge, skills, and attitudes necessary for them to secure personally satisfying and socially productive employment. By design and implementation, the policy and procedures will:

- Be nondiscriminatory to any eligible applicant regardless of race, color, creed, national or ethnic origin, gender, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, or citizenship status (except in those special circumstances permitted or mandated by law).
- Increase the prospective student's opportunities
- Guide the implementation of all activities related to admission to Coastal Pines Technical College and its programs, to student financial aid, and to the recruitment, placement, and retention of students
- Complement the instructional programs of Coastal Pines Technical College

Admissions Process

Admission to CPTC is a multi-step process that consists of an evaluation of prior academic experience and assessment for postsecondary readiness of eligible applicants.

Eligible Applicants: Individuals 16 years of age or older or dually/jointly enrolled high school students in 9th, 10th, 11th, or 12th grades who seek access to quality instruction at the post-secondary level are eligible for admissions.

Required Academic Criteria

To be admitted by Coastal Pines Technical College, applicants must satisfy one of the six academic readiness paths below:

1. High school graduates must submit an official high school transcript (including graduation date) that reflects the student has met the attendance, academic, and/or assessment requirements for the state's board of education or equivalent agency.
 - Secondary schools must be accredited by an agency included on the TCSG approved accreditation agency list.
 - Applicants with diplomas from secondary schools located outside the United States must have their transcripts evaluated for equivalency by an approved outside evaluation organization.
 - High school Certificates of Attendance or other certificates, credentials, or documents where the student did not complete all required coursework or testing required for a high school diploma in that state are not recognized for admission purposes.
2. Submission of an official transcript reflecting the student has passed an examination or the completion of a program the state recognizes as the equivalent of a high school diploma (e.g. GED, HiSET, Career Plus HSE).
3. The only exception to requirements 1 or 2 is for those students seeking enrollment into an approved basic workforce certificate that does not require a high school diploma or high school equivalency for admission.
4. Submission of an official transcript from each of one or more previously attended postsecondary institutions (accredited by an accepted accrediting agency) reflecting the successful completion (C or better) of a minimum of 30 semester or 45 quarter credit hours of coursework at the degree level.

5. Applicants who were home schooled in the state of Georgia and did not attend a recognized accredited program must submit:
 - Certificate of Attendance form from the local superintendent's office or a Declaration of Intent to utilize a Home Study Program from the Georgia Department of Education verifying that the parent or legal guardian complied with the requirements of home study programs as referenced in O.C.G.A. § 20-2-690.
 - Annual progress reports or a final transcript for the equivalent of the home-schooled student's junior and senior years (the final progress report or transcript must include the graduation date).
6. Applicants who were home schooled outside the state of Georgia and did not attend a recognized accredited program must submit:
 - annual progress reports or a final transcript for the equivalent of the home-schooled student's junior and senior years (the final progress report or transcript must include the graduation date); and
 - one of the following:
 - PSAT, SAT, or ACT scores that meet or exceed the TCSG system and college minimum score requirements for program readiness.
 - ACCUPLACER placement scores that meet or exceed the TCSG system and college minimum score requirements for program readiness.
7. Service members of the U.S. Air Force, Army, Coast Guard, Marines, or Navy may submit an official copy of their DD Form 214 or other official documentation of military service indicating high school graduate or equivalent.

The President of Coastal Pines Technical College may waive the high school diploma/high school equivalency, as described above, the requirement for those pursuing a high school equivalency, as described above, who are otherwise eligible to enroll in a specific program of study.

Assessment of Program Readiness

1. Coastal Pines Technical College must evaluate students' readiness for a degree, diploma, and certificate programs. The College may accept a student's official entrance score on the following validated assessment instruments if the scores meet the required minimums:

- SAT

- Completed TCSG form documenting two years of work/career-related experience for approved Entry-Level Workforce Certificates
- ACCUPLACER/Companion

*A student possessing an Associate's degree or higher from a regionally accredited institution shall be exempted from placement requirements.

2. Official transcripts from a regionally or nationally accredited institution approved by the United States Secretary of Education documenting equivalent program-level English and math coursework successfully completed (C or better) at other post-secondary institutions may be used to document a student's basic education skills and eliminate the need to complete that portion of the assessment instrument.

3. Subjective criteria such as, but not limited to, written or oral interviews, personality assessments, and letters of reference shall not be utilized as a part of the evaluation for program readiness or admission. All criteria should be published and applied consistently to all applicants for a program.

Admission Categories

Minimum admissions requirements for each diploma/degree program are established in accordance with the Technical College System of Georgia standards.

Students shall be admitted to Coastal Pines Technical College in one of the following categories: Regular, Provisional, Pending Admit, Special, or Transient.

Regular Status

Students who meet all requirements for admission into a selected program and are eligible to take all courses in the program curriculum are granted regular admission status.

Provisional Status

Students who do not meet all requirements for regular admission into a selected program are granted provisional admission status. Provisionally admitted students may take learning support classes, and certain specified occupational courses as long as class pre- and co- requisites are satisfied.

All certificate, diploma, and associate degree program students initially admitted on a provisional basis must have satisfactorily completed the necessary prerequisite and learning support course work in order to progress through the State Standard Curriculum.

Dual Enrollment students are not eligible for Provisional Admission status.

Special Admit Status (Non-credential seeking)

Applicants who wish to take credit coursework, but are not seeking a certificate, diploma, or associate degree are granted Special Admit status. The following specifics define the parameters of this status:

- May apply up to a maximum of 25 quarter or 17 semester credit hours into a specific program for credential seeking purposes after achieving regular admit status. The number of hours taken as a special admit student in no way waives the requirements of the regular admission process.
- May enroll in classes only on a space-available basis.
- Must adhere to the specific institutional prerequisite requirements when selecting courses.
- Will not be eligible for any financial aid.

Pending Admit Status (High School Seniors only)

Applicants who are in their final year of high school and are applying for a college term immediately after they graduate are granted Pending Admit Status. The following specifics define the parameters of this status:

- Applicants must submit a transcript showing the applicant is on track for completing all required high school courses before the semester they wish to enroll.
 - A letter from the high school confirming the pending completion is encouraged to be sent with the transcript.
- Will be allowed to register for courses after course placement requirements have been met.

- These applicants are not eligible for federal financial aid until a final high school transcript has been received.

Transient Status

Students who submit a Transient Agreement Letter from their home institution are granted Transient admission status. The Transient Agreement Letter must verify that the student is in good standing and must list the courses the student is eligible to take. A current Transient Agreement Letter is required for each term of enrollment.

Readmission to the College

Students who have not attended CPTC in the past calendar year or who have enrolled at another institution must complete a new CPTC admission application. Applicants must provide transcripts from each institution attended since last being enrolled at CPTC. Applicants who are not in good academic standing at their former institution will be accepted on academic probation.

Students dismissed or suspended from CPTC for academic reasons may apply to re-enter after completing the designated absence. Consideration of the application for readmission will be made by the Vice President for Academic Affairs. Reapplying does not guarantee acceptance.

Upon re-entry to the college, regardless of the reason, all students must follow standards, policies, and regulations that are in effect at the time of re-entry. A change of program is considered a re-admission and application to change a program must be made through the Office of Admissions.

Georgia Residency Requirements

CPTC is responsible for the verification of the lawful presence of every successfully admitted student as required by state and federal immigration laws. Legal residence in the state of Georgia requires the establishment of a domicile in the State of Georgia with the intent to remain indefinitely. Coastal Pines Technical College has the responsibility of evaluating each application, while the student has the responsibility of conveying current and accurate residency information. This information is used in determining the appropriate tuition rate to be paid by each student. In accordance with the policy of the Technical College System of Georgia, CPTC recognizes three student residency categories: Georgia Resident, Out-of-State Student, and Non-Citizen Student. The rate of tuition charged is based on a student's status on the first day of the term.

Students applying for in-state tuition must submit at least one secure and verifiable document defined in Georgia Code Section 50-36-1.

Determining a student's residency status must be based on the existence of surrounding objective circumstances that indicate a student's intent to maintain a permanent presence, or Domicile, in the State of Georgia. No single factor is conclusive. Similarly, there is no predetermined number of factors required to be met. The following indicators may be considered when documenting the Domicile of an individual, but this is not an exhaustive list:

- Location of employment.
- Location of voter registration.
- Location of property, including home purchase, and taxes paid thereon.
- State for which the individual filed and paid state income taxes.
- Address and other information on federal and state income tax returns.
- State where the person's automobile title is registered and the payment of property taxes thereon.
- Address on driver's license and state of issuance.
- Address on the Georgia Driver's License Bureau ID.
- Reason for initially coming to Georgia.
- State of issuance of business, professional, or other licenses.
- Location of checking, savings, or other banking accounts.

Citizenship Requirements:

- A student meets the Citizenship Requirements, for purposes of this procedure and the related policies, if he or she is a United States Citizen, born or naturalized.
- A student meets the Citizenship requirements, for purposes of this procedure and the related policies, if he or she is an Eligible Non-Citizen, according to the Federal Title IV definition.
- Ineligible Non-Citizens: A Non-Citizen cannot qualify for in-state tuition. However, in the discretion of the President of the college the international tuition may be waived in favor of an out of state tuition rate for a Non-Citizen who has been verified as lawfully present in the United States in accordance with state and federal immigration laws.

Verification of Lawful Presence

Effective January 1, 2012, all students applying for in-state tuition must provide validation of lawful presence in the United States. The following documents will serve as proof of lawful presence in the United States and documentation will be required before a student is eligible for consideration of in-state tuition:

- Students who file a FAFSA (Free Application for Federal Student Aid) and are eligible for federal student aid will have their lawful presence verified as part of the FAFSA process.
- A clear copy of an original or certified U.S. Birth Certificate showing the student was born in the U.S. or a U.S. territory, A U.S. Certificate of Birth Abroad issued by the Department of State (DS-1350) or a Consular Report of Birth Abroad (FS-240). The copy must very clearly show the raised or written seal to be acceptable.
- A U.S. Certificate of Naturalization (USCIS form N-550 or N-570).
- A U.S. Certificate of Citizenship (USCIS form N-560 or N-561).
- A current U.S. Passport.
- Unexpired Georgia and select out-of-state driver's licenses and state ID cards can be accepted under certain conditions. **It must be a Real ID and not contain any of the verbiages in the chart below.** If the copy received has the top portion of the card cut off the document will not satisfy lawful presence.
- A current military ID (service member only, not dependent). Documented using the Confirmation of Review of Military ID Worksheet - A photocopy is not acceptable.
- A current, valid Permanent Resident Card (USCIS form I-151 or I-551). We require both the front & back sides of your Permanent Resident Card to be submitted. It must not expire before the first day of class of the term the student will start classes.
- Students admitted on an F, J, or M Visa will have their lawful presence verified through the Student and Exchange Visitor Information System (SEVIS).
- Students admitted on any other Visa will have their lawful presence verified through the Systematic Alien Verification for Entitlements (SAVE) Program.

In addition to being lawfully present in the United States, students must meet the in-state tuition requirements as outlined in TCSG Board Policy and Procedure 6.2.2 to warrant an in-state classification. Students that are initially classified as out-of-state and successfully petition to have their residency changed to in-state also have to meet the verification requirement.

Placement Testing

Coastal Pines Technical College (CPTC) believes that a student must have the basic educational skills necessary to be successful. The assessment provides CPTC the opportunity to serve the students better through quality placement. The official placement exam approved for use by Coastal Pines Technical College and sanctioned by the Technical College System of Georgia is the ACCUPLACER exam. However, in the place of ACCUPLACER, CPTC may accept a student's official entrance score on any TCSG validated assessment instrument. This placement exam evaluates reading, writing, math, and algebra skills.

Applicants must show a photo I.D. to gain entrance to the testing session. Students who do not possess a photo I.D. may notify the Admissions Office in advance of testing and prove identification through a combination of birth certificate, social security card and other forms of identification. An applicant who does not possess photo identification at the time of testing and who has not made prior arrangements will not be allowed to test.

The following programs do not require a high school diploma:

Business & Customer Service Technician, Commercial Truck Driver, and Nurse Aid

General Reminders

- Bring a picture ID for entry into the testing lab
- Do NOT bring cell phones or children with you to the test
- Allow two to three hours to take test

Competitive Admissions Program

Some allied health diploma and degree programs have competitive entry processes that vary among programs. Contact the appropriate program director for specific information.

Competitive entry requirements for each program may be found on the CPTC Allied Health Program web page at <http://www.coastalpin.es.edu/programs/allied-health/> or contact the Admissions Office.

Special Considerations for Clinical/ Externship/Internship Programs

- Some clinical site facilities require a criminal background check for the purpose of clinical placements. Clinical placements are required components of the allied health program of study. All fees and expenses associated with a criminal background check are the responsibility of the student and are non-refundable.
- Some clinical site facilities require a drug screen for the purpose of clinical placements. Clinical placements are required components of the allied health program of study. All fees and expenses associated with a drug screen are the responsibility of the student and are non-refundable.
- Coastal Pines Technical College will not be responsible if, as a result of findings from a criminal background check, allied health students are not allowed at a clinical site or are not allowed to sit for the certification exam in their field or fail to secure employment.
- Coastal Pines Technical College will not be responsible if, as a result of findings from a drug screen, allied health students are not allowed at a clinical site or are not allowed to sit for the certification exam in their field or fail to secure employment.
- Any student who must take a prescription or over-the-counter medication that significantly alters his/her behavior or ability must notify the instructor and should not attend any clinical facility while under this medication.
- Any student suspected by the instructor or clinical personnel to be under the influence of alcohol or drugs while at a clinical facility may be requested to take a blood alcohol test or drug screen at the student's expense. The student will not be allowed to enter the clinical facility until favorable test results are available. A report indicating the use of alcohol or drugs/medications capable of altering behavior or ability may result in the student being permanently removed from the clinical facility, which may prevent completion of the program.

Major Changes

A student who desires to change from diploma status to degree status should consult his/her program advisor. The student must meet degree admissions requirements and complete the Major Change portion of the Student Information Change Form. Changes must be made prior to the effective term. Changing programs or award types

may change HOPE/Pell eligibility. Students should always consult with the Financial Aid Office prior to this type of transfer.

Dual Majors

Coastal Pines Technical College students enrolled in a diploma program who desire to add an additional (dual) major may do so in a second diploma or technical certificate of credit program if all of the following criteria are met:

- the second program is in a related field
- regular admission status is achieved
- 50% or more of the primary diploma program has been completed
- program minimum grade point average (GPA) of 2.50
- The primary or secondary programs are not HOPE Career Grant eligible programs

Program Transfer

Students who want to transfer from one program to another within the college must follow these procedures:

- Receive career counseling from an advisor prior to program transfer
- Complete the Major Change portion of the Student Information Change Form

Application Procedures for Pell Eligible Programs

Students who will be enrolled in a Federal Pell eligible program must complete the Free Application for Federal Student Aid (FAFSA). All students must use their legal name as it appears on their social security card. Using anything other than their legal name will result in major delays during processing. **Coastal Pines Technical College's Title IV Institution Code is 005511.** Students can electronically access FAFSA on the Web at www.studentaid.gov or complete either the paper application (requests for paper application must be made by calling (800) 4-FEDAID) and mail the paper application in the envelope provided to the Department of Education for processing. Either of these methods will allow the Financial Aid Office to receive your application information electronically. Other Coastal Pines Technical College forms need to be completed and returned to the Financial Aid Office.

If the FAFSA application is mailed, the student can expect to receive a Student Aid Report (SAR) from the processing center in four to six weeks. All pages of the SAR must be submitted to the Financial Aid Office.

If the FAFSA application is processed on-line, the student must either mail their signed signature page to the address provided or electronically sign the application as instructed. The Central Processing System will then determine eligibility for financial aid within 72 hours. A SAR will be mailed to the student.

If a FAFSA has been submitted and processed, there is no need to submit a separate application for the HOPE Grant or Scholarship. This is due to the Federal and State processing centers sharing information. Determination of eligibility will be made once all required forms and documents are received and processed.

Please check BannerWeb account weekly in order to check the status of your application process.

Application Procedure for Non-Pell Eligible Programs

Students who will be enrolled in a non-Pell eligible program must complete either a FAFSA or the HOPE Application. This form, as well as any other forms, must be completed, submitted, and processed before the determination of any eligibility can be made by the Financial Aid Office. If a student's schedule or major changes after registration, the financial aid award is subject to change.

Financial Aid Programs

Federal Pell Grant Program

The Federal Pell Grant Program — <http://www.studentaid.gov> - is a federally funded award to help persons who have not earned a bachelor's degree pay for their education after high school. The amount a student receives will depend on the EFC (Expected Family Contribution) shown on the SAR (Student Aid Report) or ISIR (Institutional Student Information Record), how many registered course credit hours, the cost of attendance, program eligibility and the size of the federal appropriations. Lifetime Pell eligibility is limited 600% or 18 semesters.

Federal Supplemental Educational Opportunity Grant (FSEOG)

The Federal Supplemental Educational Opportunity Grant (SEOG) -<http://www.studentaid.gov> - is a federal program that provides assistance for students with exceptional need. Need is determined by the EFC (Expected Family Contribution) shown on the SAR or ISIR. Awards range from \$400 to \$1000 per term. Priority is given to students who have maximum eligibility and have a higher cumulative grade point average. Students must not be receiving assistance from any other service or form of Financial Aid other than the Federal Pell Grant and HOPE to get FSEOG. Students must be receiving a Federal Pell Grant to be considered.

Federal Work Study (FWS)

The Federal Work Study Program — <http://www.studentaid.gov> - is a federal program that provides jobs for students with financial need, allowing them to earn money to help pay educational expenses. Students must be enrolled in a Title IV eligible program to be eligible.

1. Once registered for class(es), interested students should come by the Financial Aid Office to complete an application and notify Financial Aid they are interested in Work-Study.
2. The Financial Aid Office calculates the student applicant's need according to the Federal regulations to determine eligibility for Federal Work-Study and forwards eligibility to Career Services.
3. The Career Services Office instructs eligible students to apply on the College's website and forwards eligible student's applications to hiring department.
4. Work-Study candidates will be contacted for an interview by the department hiring.
5. Departments will select those to be employed and notify the Career Services Office.
6. The Career Services Office will submit a completed background check form to Human Resources for processing. Work Study contract information will be submitted to the departmental payroll person upon clearance and approval of the background check.
7. The newly hired student will complete all required payroll paperwork and return it to the departmental payroll person.

8. Student employees will be assigned an employee ID number to clock in and out on either a biometric clock or Coastal Pines Technical College's web-based time card system. At the end of each work-week, student employees will need to verify their time on the web-based time card system. Their weekly time will then be verified by their direct supervisor and the director of the assigned department.
9. The Career Services Office receives hours worked and salary information on student employees on a monthly basis.

Georgia HERO Scholarship (Helping Educate Reservists and their Offspring)

Georgia HERO program was created to provide educational grant assistance to members of the Georgia National Guard and U.S. Military Reservists who served in combat zones or the children of such members of the Georgia National Guard and U.S. Military Reserves. Recipients may receive up to \$2,000 per academic year. For eligibility criteria and official program regulations, please visit www.GAfutures.org.

HOPE Career Grant (formerly Strategic Industries Workforce Development Grant (SIWDG))

The HOPE Career Grant is a state-funded award for students enrolled in select majors specifically aligned with industries in which there are more jobs available in Georgia than there are skilled workers to fill them. These industries have been identified as strategically important to the state's economic growth.

A student who meets all eligibility requirements for the HOPE Grant and is receiving a HOPE Grant award for a term is also eligible for a HOPE Career Grant award for that term. High school students participating in dual credit enrollment are eligible for the HOPE Career Grant award. HOPE Career Grant awards are based on the student's program of study and the number of hours enrolled. A list of HOPE Career Grant programs can be found at the following link: [HOPE Career Grant Programs](#)

After passing the GED® Test, graduates will receive a voucher for \$500 in the mail. Graduates wishing to use their voucher need to sign it and bring it to the Financial Aid Office. Residents must enroll and attend classes in order to use their voucher.

HOPE Grant (Helping Outstanding Pupils Educationally)

The HOPE Grant - <http://www.GAfutures.org> - is a state funded award which will pay a percentage of tuition based on a factor rate set by the Georgia Legislature each year for all eligible students enrolled in diploma and technical certificate of credit programs. Continuing Education courses are not covered by the HOPE Grant. Georgia residency documents are required as proof to be considered for eligibility of this grant. There are two eligibility checkpoints: first when a student reaches 30 semester hours and second after 60 semester hours, based on HOPE Grant Paid Hours. To continue receiving HOPE, a student must have a 2.0 HOPE GPA at the 30th hour. Students who lose eligibility at the 30th hour can regain eligibility once at the 60th hour with a 2.0 GPA. Learning support coursework and dual enrollment coursework are excluded from the HOPE GPA calculation and checkpoints. HOPE Paid Hours prior to the implementation of the HOPE cap (prior to July 2003) do not count in HOPE Grant GPA or checkpoint calculations. Students with baccalaureate degrees cannot receive HOPE. HOPE Grant awards are limited to paying for a total of 63 semester credit hours beginning with courses taken in July 2003.

HOPE Scholarship (Helping Outstanding Pupils Educationally)

The HOPE Scholarship - <http://www.GAfutures.org> - is a state funded award that will pay a percentage of tuition based on a factor rate set by the Georgia Legislature each year for all eligible students seeking an associate degree. Georgia residency documents are required as proof to be considered for eligibility of this grant. To be eligible as a first-year student, a student must be a 1993 or later graduate of an eligible high school and earn a "B" average as determined by Georgia Student Finance Commission. A "B" average is a 3.00 cumulative grade point average on a 4.00 scale. If ineligible as a first-year student, a student may gain eligibility by maintaining a 3.00 HOPE scholarship cumulative grade point average after the school term in which 30 or 60 transferable semester hours of degree credit has been attempted. A student must not have exceeded his or her expiration of eligibility limits as describe by Georgia Student Finance Commission HOPE Scholarship Regulations found on the [GAfutures.org](http://www.GAfutures.org) website. Student may log into his or her GAfutures account to check their expiration date.

A student must not have already earned a baccalaureate degree or have attempted more than 127 semester hours of college credit.

Students must maintain a HOPE scholarship cumulative grade point average of 3.0 or better at the end of spring term (unless they are a less-than-full-time student who has taken less than 30 credits) and in the terms in which they have attempted 30, 60, and 90 credit hours. Failure to meet the cumulative GPA requirements at these check points will result in the loss of the HOPE Scholarship. A HOPE Scholarship recipient who has lost HOPE Scholarship Eligibility at two Checkpoints since Fall term 2011 cannot regain Eligibility. A student must have been receiving HOPE to be considered as having lost HOPE. More detailed information on eligibility and how a HOPE scholarship cumulative grade point average is calculated may be obtained from the Financial Aid Office.

Withdrawals and Title IV Aid

Return to Title IV Funds Policy

The Higher Education Amendments of 1998 changed the formula for calculating the amount of aid a student and school can retain when the student totally withdraws from all classes. Students who withdraw from all classes prior to completing more than 60% of an enrollment term will have their eligibility for aid recalculated based on the percent of the term completed. For example, a student who withdraws completing only 30% of the term will have "earned" only 30% of any Title IV aid received. The remaining 70% must be returned by the school and/or the student. The Office of Financial Aid encourages you to read this policy carefully. If you are thinking about withdrawing from all classes PRIOR to completing 60% of the semester, you should contact the Office of Financial Aid to see how your withdrawal will affect your financial aid.

1. This policy shall apply to all students who withdraw or drop out from Coastal Pines Technical College, and receive financial aid from Title IV funds:
 - The term "Title IV Funds" refers to the Federal financial aid programs authorized under the Higher Education Act of 1965 (as amended) and includes Federal Pell Grants and Federal Supplemental Educational Opportunity Grants (FSEOG).
 - A student's withdrawal date is the student's last date of attendance as reported by their instructor or the last date of documented academically related activity.
2. The percentage of Title IV aid earned shall be calculated as follows:
 - Number of days completed by student/Total number of days in term*

- The percent of term completed shall be the percentage of Title IV aid earned by the student.
- Students are responsible for any portion of their institutional charges that are left outstanding after Title IV funds are returned.
- The total number of calendar days in a term of enrollment shall exclude any scheduled breaks of more than five days.

Satisfactory Academic Progress (SAP)

Coastal Pines Technical College has developed a local Satisfactory Academic Progress Procedure that is consistent with Title IV of the Higher Education Act.

Federal and state regulations require students meet minimum academic requirements to remain eligible for financial aid each semester. In order to maintain financial aid eligibility at Coastal Pines Technical College, students must meet minimum cumulative Grade Point Average (GPA) requirements as well as successfully complete, within a maximum timeframe, all coursework required for completion of the chosen program of study. CPTC requires that all financial aid recipients earn a cumulative GPA of 2.0 and successfully complete, with a grade of "C" or better, at least two-thirds or 66.67% of all credit hours attempted.

Satisfactory Academic Progress is evaluated after grades are issued each semester. Grades of "A", "B", "C", and "S" are considered successfully completed while grades of "D", "F", and "WF" will negatively affect the grade point average. Grades of "U", "W", "WP", "WF", "D", and "F" are not considered satisfactory grades and are included in the total credit hours attempted. Grades of "I", "TR", "IP", "EX", "AU", repeated courses, and Learning Support courses are included in the total hours attempted and applied towards the maximum timeframe when computing Satisfactory Academic Progress. Learning Support grades are not included in the GPA calculation for financial aid purposes.

Transfer credits from other schools accepted by CPTC will be counted toward completion as both hours attempted and hours successfully completed. A transfer student is considered to be making satisfactory academic progress during the first semester of enrollment at the institution. After the first semester, the student will be responsible for meeting all Satisfactory Academic Progress requirements.

Students are expected to know and understand the SAP procedure. The Financial Aid Office will notify students of their status via their student e-mail address or other means necessary. Students that do not receive notification because they did not check their student email are not excused from financial aid probation (suspension) nor are exempt from appealing in a timely manner. Students may log into BANNER Web at any time to check their academic status.

Maximum Time Frame (150% Standard):

Students must complete their program of study within 1.5 (150%) times the normal length of a program of study. This includes all credit hours attempted whether they are completed or passed. For example, if a program of study is 80 credit hours, the maximum timeframe to complete the program and receive financial aid is 120 attempted credit hours. The maximum timeframe will vary depending upon the length of the program of study. Students required to enroll in Learning Support courses may receive federal aid for up to a maximum of 30 attempted semester credits of Learning Support courses.

Financial Aid Warning:

Students who fail to meet the minimum cumulative GPA or fail to complete a cumulative minimum of 66.67% of attempted credits at the end of a semester will automatically be placed on financial aid warning for the subsequent semester of enrollment. During the warning period, students remain eligible for financial aid and must improve their academic standing in order to meet the minimum requirements. An appeal is not required for this status. Students will be notified in writing when they are placed on warning status.

Financial Aid Suspension:

Failure to meet the minimum GPA or course completion requirements by the end of the financial aid warning period will result in the suspension of financial aid eligibility. Students placed on financial aid suspension will not be eligible for financial aid until the cumulative GPA of 2.0 is met and a minimum of 66.67% of attempted credits have been successfully completed. Students will be notified in writing when aid eligibility has been suspended. Students have the right to appeal the suspension and request reinstatement of eligibility.

Appeal of Financial Aid Suspension:

Within five (5) calendar days after notification, students for whom financial aid eligibility has been suspended have the right to petition the Financial Aid Appeals Committee for reinstatement of financial aid eligibility. Students must submit to the Financial Aid Office a completed/signed Appeal of Financial Aid Suspension form along with supporting documentation and include a letter of explanation describing the basis for the appeal (i.e., death of a relative, an injury or illness of the student, or other special circumstances). The letter should also include an explanation of what has changed that would allow the student to demonstrate satisfactory academic progress during the next semester of enrollment. The Financial Aid Appeals Committee will evaluate each appeal on a case-by-case basis.

Financial Aid Probation:

An appeal approved by the committee may require that certain conditions be met in order for financial aid eligibility to be reinstated on a probationary basis for the subsequent semester of enrollment. The Financial Aid Office will continue to monitor each recipient's academic progress to ensure that the conditions of the probationary status are successfully completed. Students for whom an appeal for financial aid reinstatement is denied may continue enrollment at CPTC at their own expense.

Responsibility:

The Vice President for Student Affairs has the overall responsibility of ensuring this procedure is implemented.

The U.S. Department of Education enforces the Family Education Rights and Privacy Act. This U.S. Department of Education receives and reviews complaints and forwards those that are not resolved to a review board that can recommend to the Department of Education Secretary sanctions including withdrawal of federal funds.

Notification of Student Rights to Records

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational record. These rights include:

- The right to inspect and review student's educational records. Students must submit a "Student Request to Inspect and Review Educational Record" form that specifies the record(s) they wish to inspect. This written request must be submitted to the Vice President for Student Affairs. The inspection will be within 45 days of the receipt of the student's written request.
- The right to request the amendment of the student's educational record that they believe is inaccurate. Students may ask Coastal Pines Technical College to amend a record that they believe is inaccurate. They should write the Vice President for Student Affairs, clearly identify the part of the record they want changed and specify why it is inaccurate. If it is decided that the record will not be amended as requested by the student, CPTC will advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- The right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by Coastal Pines Technical College to comply with the requirements of FERPA.

Contact information for the federal office that administers FERPA is as follows:

FERPA

The Family Educational Rights and Privacy Act ("FERPA"), a Federal law, requires that TCSG and its technical colleges, with certain exceptions, obtain a student's written consent prior to the disclosure of personally identifiable information from that student's education records.

However, TCSG or its technical colleges may disclose appropriately designated "directory information" without written consent unless the student has advised TCSG or the technical college to the contrary. Public Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without the student's prior written consent.

If a student does not want TCSG or the technical college to disclose directory information from his or her student education records without prior written consent, the student must notify TCSG or the technical college where he or she is enrolled, in writing, by the first day of the semester at the registrar's office at his or her technical college. A student need only file this notification once during his or her enrollment. However, if there is a break in enrollment or transfer to another TCSG technical college, a new notification must be filed.

Even if a student elects to prohibit the release of directory information, TCSG or the technical college may still implement policies requiring the student to wear or present a student ID badge.

See Directory Information for Coastal Pines Technical College's definition of "public directory information" and "non-public directory information".

Public and Non-Public Directory Information

The Federal Privacy Act stipulates that an institution has the right to declare one or more categories of information as public or directory information that may be released to the public at the discretion of the institution. Coastal Pines Technical College considers the following as directory information:

The Technical College System of Georgia and its technical colleges define "public directory information" as follows:

- Full name of the student
- Major and field(s) of study
- Enrollment Status (full-time, part-time, etc.)
- Degrees and awards and dates received
- Dates of attendance
- Participation in official sports and activities
- Height and weight of athletic team members

The Technical College System of Georgia and its technical colleges define "non-public directory information" as follows:

- Social Security Number
- User ID or other unique Personal Identifiable number
- Email address
- Telephone Number
- Non-public directory information is not available to the public but is available to any college official. If the student has indicated to restrict their data, then college officials can only access the information when it is needed for educational purposes.

Additionally, certain state and federal laws require the release of certain student information without prior notification to the student.

Contact the Registrar's Office for more information.

Solomon Amendment

A federal law known as the Solomon Amendment requires Coastal Pines Technical College to release student recruitment information to military recruiters. Student recruitment information is defined as name, address, telephone number, age, major, date(s) of attendance, and degree awarded.

FERPA/Solomon Amendment Objection

Any adult student or minor student's parent who objects to the release of this directory information under the Family and Educational Rights and Privacy Act should file an objection in writing clearly stating what directory information should not be released to third parties. Forms are available in the Registrar's Office for filing a FERPA Objection.

Disciplinary Records

Disciplinary records are considered confidential information to be released only to faculty and administration officers who have responsibility related to the educational mission of the Institution and/or its disciplinary process. Release of information from this record to employers and prospective employers will occur upon a written release from the student or graduate. Information will be released to law enforcement officials upon court order, upon written release from the student or graduate or when there is a reason to believe this information is pertinent to the investigation or prevention of a crime.

Withdrawal from College

Formal withdrawal is accomplished by completion and submission of a Withdrawal form. This form is available to students on the CPTC website under MYCPTC - Electronic Student Forms or under the student's OKTA account.

Students who withdraw from a course after the end of the fifth business day of the term shall receive a grade of 'W' and shall receive no refund of tuition and fees.

In order to receive a 100% refund, the student must notify their instructor OR a withdrawal form must be completed BY THE STUDENT and submitted to Student Affairs by closing time on the fifth business day of the term.

Tuition and Fees

Students attending Coastal Pines Technical College (CPTC) shall normally be charged tuition and related fees, unless otherwise exempted.

Tuition for courses in curriculum leading to a certificate, diploma, or associate degree shall be charged on a uniform basis.

Student Tuition and Fees/Refunds/Returns to Title IV

Georgia Student Tuition

Students who are classified as Georgia Students under TCSG's residence policies and procedures will be charged the rate of tuition set for in-state students by TCSG.

Out-of-State Tuition

CPTC students who are classified as Out-of-State students under TCSG's residence policies and procedures will be charged a rate of tuition twice that charged for students who are classified as Georgia students.

The Commissioner of TCSG or President of CPTC may approve exceptions to this provision, provided:

- A written statement of reason is on file or there is evidence of a written reciprocity agreement with appropriate institutions in another state.
- The Commissioner may approve agency wide exceptions to this policy under certain circumstances. (i.e., National Emergencies, etc.)

Under no circumstances shall Out of State students be charged the tuition or fees lower than the fees charged Georgia students.

All fees, other than tuition, shall be at the same rate for all students.

Out-of-State students shall be enrolled in the College on a space available basis and shall not displace any Georgia student desiring to enroll at CPTC.

Non-Citizen Tuition

Non-Citizen Students shall not be classified as Georgia Students for tuition purposes unless lawfully present in this state and there is evidence to warrant consideration of that classification. They are to be charged a rate of tuition four times that charged for students who are classified as Georgia Students.

Lawful permanent residents, refugees, asylees, or other Eligible Non-Citizens as defined by federal regulations may be extended the same consideration as citizens of the United States in determining whether they qualify as Georgia Students.

Students who reside in the United States under nonimmigrant status conditioned at least in part upon intent not to abandon a foreign domicile are NOT eligible to qualify as Georgia Students for tuition purposes.

All fees, other than tuition, shall be at the same rate for all students.

Waiver of Student Tuition and Fees

The Commissioner of TCSG grants the President of CPTC or their designee the authority to waive mandatory and non-mandatory fees, with the exception of the "instructional and support technology fee." The "instructional and support technology fee" may be waived only under the following circumstances:

- Faculty, staff, and administrators participating in staff development activities related to the employee's job or career in the organization and studying at Coastal Pines Technical College. The employee must meet the applicable admissions standards Page 3 of 5 and have received the appropriate prior authorization from the President of CPTC or Assistant Commissioner of TCSG.

- For transient students enrolled in more than one Technical College during the same term, only the home Technical College shall charge the instructional support and technology fee. If the transient student is not attending the home college, the college that the student registered at first will charge the fee. The student is responsible for providing proof of payment to the remaining colleges in which they are registered. In this case, the home college will not charge the fee. All other Transient Students shall pay the instructional support and technology fee.

All waivers of student tuition and fees not addressed specifically in TCSG State Board Policy 6.6.1, or in this procedure must be approved by the Commissioner of TCSG. Written documentation for each waiver must be maintained by CPTC.

A record of all waivers shall be maintained by the college in the BANNER student registration and account system. Pursuant to the procedures authorized by the Commissioner of TCSG, the President of CPTC may waive tuition for students on a term-by-term basis. The number of waivers shall not exceed five percent of the headcount of the student enrollment at Coastal Pines Technical College in the immediately preceding fall term.

Notwithstanding any provision in this policy, no person who is unlawfully present in the United States shall be eligible for any waiver of the tuition differential.

Exemption of Mandatory Fees for U.S. Active Duty Military, Military Reserve, and Georgia National Guard Combat Veterans

Eligible participants must be Georgia residents who are active members of the U.S. Active Duty Military, Military Reserves, and/or the Georgia National Guard and were deployed overseas for active service in a location or locations designated by the U.S. Department of Defense as combat zones on or after September 11, 2001, and served for a consecutive period of one hundred and eighty-one (181) days, or who received full disability as a result of injuries received in such combat zone, or were evacuated from such combat zone due to severe injuries during any period of time while on active service. Additionally, eligible participants must meet the admissions requirements of the applicable TCSG institution and be accepted for admission.

Upon request, eligible participants shall receive an exemption of all mandatory fees charged by TCSG institutions for a term for which all students are required to make payment.

Students receiving this exemption shall be eligible to use the services and facilities these fees are used to provide. This benefit shall not apply to housing, food service, any other elective fees, special fees, or other user fees and charges (e.g., application fees).

Exemption of Tuition and Fees

Upon request, Georgia residents over sixty-two (62) years of age may attend technical colleges, for credit courses only, without charge or payment of the standard tuition rate on a space-available basis.

Adult Education students attending adult basic education programs shall not be charged tuition for such non-credit instruction or any other fee, nor be required to purchase any books or other materials that are needed for participation in the adult education program.

Refunds of Tuition and Fees

All tuition and fees, excluding the application fee, shall be refunded if a student does not commence class attendance.

Students withdrawing from a course by the end of the fifth day of the term (excluding Saturday and Sunday) and No Shows shall receive a 100% refund of applicable tuition (hours below the 15-hour tuition cap) and applicable refundable fees, excluding the application fee. Exceptions may be allowed for customized courses that do not follow the CPTC's standard academic calendar. Students must be notified of each semester or module's deadline.

Students who withdraw from a course after the fifth day of the term shall receive no refund.

Students utilizing Tuition Assistance (TA) through the Department of Defense (DOD), who withdraw from any course before the 60% point of the term, will have unearned funds returned on a proportional basis to the TA program. The calculation will be based on the number of days completed divided by the total days in the enrollment period (semester).

For those students receiving federal financial aid, Coastal Pines Technical College shall make available Consumer Information that may be found at www.ifap.ed.gov under the appropriate aid year's Handbook. Although there will be no refund of tuition and fees after the fifth day, withdrawing students receiving Federal Pell Grant will have awards adjusted in compliance with the Return to Title IV process (R2T4) outlined in the Federal Student Aid Handbook.

Students receiving assistance from Title IV programs (Federal Pell Grant and FSEOG) are entitled to receive an amount of aid depending upon the amount of aid earned. If a student completes more than 60% of the term, he or she will earn 100% of the aid for that period. If a student completes 60% or less of the term, the percentage of the period completed is equal to the percentage of aid earned. The percentage completed will be calculated by counting the number of days attended up to the point of withdrawal divided by the total number of days in the term. This percentage will be applied to Title IV funds for which the student established eligibility prior to the withdrawal date. The Title IV aid earned is first used to pay the tuition, fees, and Bookstore charges the student has deferred to their Title IV aid account. If any funds remain after deducting these charges, the student will receive the balance. If the amount of Title IV aid earned is insufficient to cover these charges, the student is liable for these charges.

Refunds of Books and Supplies

No refunds shall be made for used supplies and equipment such as cosmetology kits, diskettes, tools, and uniforms. Refunds shall be made for books that are returned in new condition and accompanied by a receipt in accordance with the CPTC's book refund procedure. The book refund procedure shall be prominently posted in the Coastal Pines Technical College bookstore. No refund shall be made for books issued to students participating in the Dual Enrollment program.

Dually Enrolled High School or Adult Education Students

Tuition and fees for all dually enrolled high school students or dually enrolled adult education students, up to the amount not covered by HOPE or Dual Enrollment Funding may be exempted. If Coastal Pines Technical College utilizes this option, it must apply to all dual-enrolled high school students or dually enrolled adult education students attending CPTC for the time frame the exemption applies.

The President has the authority to exempt all fees including the "instructional and support technology fee" for military members using tuition assistance.

Presidents have the authority to exempt up to 36 months of tuition and fees toward the award of an associates' degree, diplomas, or certificates, for military members awarded the Purple Heart or higher combat decoration (Bronze star with valor, Silver Star, Coast Guard Cross, Navy Cross, Air Force Cross, Distinguished Service Cross, or Metal of Honor), their spouses, or their legal dependents up to 26 years of age. In order to qualify, students must first exercise all potential financial aid options available (Pell, VA benefits, HOPE grant, etc.).

Mandatory and non-course-related fees for all dual enrollment students must be exempted. Course-related fees and supplies, not including book(s), may be assessed.

Notwithstanding any provision in this policy, no person who is unlawfully present in the United

States shall be eligible for any exemption of the tuition and applicable fees.

The purpose of distance education at Coastal Pines Technical College (CPTC) is to provide our students the opportunity to access quality instruction anytime, anywhere. Distance education is defined as providing access to learning when students are not physically present in a traditional classroom setting. CPTC desires to create and provide access to learning when the source of information and the learners are separated by time and/or distance.

Distance Education Participation

Coastal Pines Technical College (CPTC) is committed to providing students the opportunity to access quality instruction anytime, anywhere. Establishing a consistent and acceptable pattern of logging in and submitting work is considered an integral part of the total educational process. Employers who hire Technical College System of Georgia graduates consistently stress the importance of having a good punctuality record. Students are receiving an education for direct entry into the workforce. CPTC has the responsibility of attempting to instill in each student the importance of a good attendance and punctuality record. Because of this importance, an evaluation of participation is done in each course.

Students in distance education classes must contact the course instructor via CPTC email within the first five (5) calendar days of the academic term. Students who fail to contact their instructor within five days will be considered a "No Show". Students enrolled in distance education classes should actively participate in class assignments as prescribed by the course syllabus and/or instructor. Students in Distance Education courses should follow the procedures for participation and withdrawal as outlined for all courses in the handbook.

Proctoring of Distance Education Credit Courses

In order to comply with accreditation requirements for the validation of student identity for all online courses, all students enrolled in online courses are required to have at least one proctored event (a major exam or assignment).

The Coastal Pines Technical College (CPTC) Office of Distance Education will provide exam proctoring services for students who are taking online courses during the examination period. Also, CPTC will proctor exams or other assignments for any student of any Technical College System of Georgia (TCSG) college during the examination period.

Students choosing to utilize an alternative proctoring solution are responsible for finding a qualified proctor to administer each event, and for submitting the required approval form for each event. Qualified proctors must meet with the requirements of Coastal Pines Technical College.

Students must complete the proctoring event no later than the date specified by the instructor in the course syllabus or provided by the instructor in a subsequent communication. Students who do not complete the proctored event as scheduled must comply with the specifications as explained in the course syllabus or participate in remote proctoring as arranged by the course instructor and the Office of Distance Education.

Fee

CPTC does not charge a fee to proctor examinations to students. Also, Technical College System of Georgia (TCSG) colleges do not charge a proctoring fee to administer examinations to students of other TCSG colleges. However, students who choose to have an examination proctored outside of the TCSG system are responsible for any fees that could be incurred by the proctoring institution.

Proctoring Methods

On Campus

Students who live within reasonable commute distance (50 miles) of a CPTC campus where the exam or assignment is scheduled must attend the scheduled event as announced in the course syllabus.

Off Campus

Students who live outside of reasonable commute distance (more than 50 miles) from the CPTC campus where the exam or assignment is scheduled and cannot attend the on-campus proctored event and a remote proctoring solution cannot be arranged with the online course instructor then you must submit a Proctored Examination Request Form to schedule the proctored event with a qualified proctor. The Coordinator of Distance Education will contact the identified proctor as well as the course instructor. The instructor in turn will supply the required detailed instructions via college e-mail to the e-mail address on file for the facility per the proctored event communication below.

The Coordinator of Distance Education will verify the validity of the proctor as well as the requested location. Notification will be forwarded via e-mail to the instructor and the student regarding the validity of the proctor. If the proctor is not a valid proctor, the student will be asked to select a proctor. Once the proctor is approved, the course instructor is required to send proctored event communication via e-mail to the address provided on the approval form for the proctor.

Proctoring Approval Form Submission

It is the student's responsibility to arrange to participate in a proctoring solution provided through CPTC or to find a qualified proctor with whom they can arrange a date, time, and location to complete their proctored event requirement. Once a proctor is selected, the student must complete and submit a Proctored Examination Request Form for each event.

Completed forms must be submitted via email to the Coordinator of Distance Education. Forms must be submitted no later than 14 days prior to the requested event date. Students who do not submit the required forms within the time period will be subject to the Instructor's make-up examination policy as described in the course syllabus. Students, instructors, and proctors will receive an e-mail confirmation upon receipt of the form. If confirmation is not received within two business days of the scheduled exam, students should send e-mail to the Coordinator of Distance Education for assistance.

Qualified Proctors

Qualified proctors will meet the following criteria:

Contracted by CPTC for the purposes of proctoring or be employed full-time as a:

- Teacher
- Professor
- Librarian
- Administrator at a public secondary school, university, library or testing center
- Military active duty commissioned officer whose rank is higher than the student's own. (Approved for students in the military only)

Proctored Event Communication

The course instructor is required to provide the following information to the event proctor:

1. CPTC Proctor Event Information Sheet

2. Student name

3. Student ID number

4. Course Reference Number (CRN)

5. Instructor's name

6. Requested event date and time

7. Student CPTC (college) e-mail address

8. Student's primary phone number

9. Detailed Proctor Instructions will include the following:

- a link to the online materials
- login instructions
- whether or not the event is to be timed, and if so, the amount of time to be allotted
- whether or not the student is allowed to use any notes or other reference materials during the event, and if so, a list of what materials are allowed
- any additional detailed instructions the instructor deems appropriate for the event

W – This grade signifies that a student withdrew from a course on or before the last day of the semester, whether the work is passing or failing. No credit is given and no grade points are calculated. A grade of “W” is not included in calculating the grade point average but is counted as coursework attempted.

WP – Effective January 1, 2020, this grade is no longer issued, but may appear on transcripts for courses taken prior to this date. This grade signifies that a student withdrew from a course after the 60% mark of the term, had a passing average at the time of withdrawal, and was making satisfactory progress. A grade of “WP” is not included in calculating the grade point average but is counted as coursework attempted.

WF – Effective January 1, 2020, this grade is no longer issued, but may appear on transcripts four courses taken prior to this date. This grade signifies that a student withdrew from a course after the 60% mark of the term, had a failing average at the time of withdrawal, and was not making satisfactory progress at the time of withdrawal. A grade of “WF” is calculated in the grade point average as an “F” and is counted as coursework attempted.

Z – Effective for spring semester 2020, this grade represents withdrawal from a course prior to completion due to the COVID-19 emergency. This grade does not have numerical equivalents and will not be calculated in the GPA. This grade is unacceptable credit in a course.

I – This grade signifies that a student has satisfactorily completed 80% of the class days of the required coursework, but for non-academic reasons beyond the student's control, has not been able to complete the course. The incomplete is assigned only after the student has made arrangements with the instructor for fulfilling the course requirements and received approval from the Vice President for Academic Affairs or designated representative. Grade of “I” not cleared by the end of the following term will be converted to an “F”.

IP – This grade signifies that for administrative reasons the course continues beyond the end of the term. Grades of “IP” not cleared by the end of the following term will be converted to an “F”.

AC (A, B, C) – Articulated credit may be awarded for coursework completed under formal articulation agreements when established competencies have been achieved. A grade of AC will be given for the course(s). The third letter indicates the grade earned in the course.

AU – A student may choose to audit a class rather than take it for credit. By auditing a class the student is allowed to attend class in accordance with the following guidelines: (1) meet established admissions requirements of Coastal Pines Technical College, (2) have the approval of the instructor and follow regular registration procedures, (3) obtain prior approval from the Vice President for Academic Affairs for any changes from audit to credit or credit

to audit status, and (4) pay the appropriate fee for auditing the course. Anyone auditing must attend class and observe normal attendance requirements. The audit period of a class must conform to the same time period allowed for credit, with no extension of time. An audit grade may not be later changed to a credit grade. A student who is auditing a course is eligible to receive all materials available to credit students except for tests. The instructor may provide "practice tests" for the audit student. Students auditing a class are not eligible for financial aid for that course.

TR (A, B, C, M) – A grade of "TR" indicates that the student has successfully completed the course at another postsecondary institution or earned military credit. The third letter indicates the grade earned in the course and the M represents Military credit; however, this grade will not count in the cumulative Grade Point Average (GPA). The student will however, receive comparable credit hours at CPTC for the credit hours received at the former institution.

EXE – A grade of "EXE" indicates that a student has exempted a course through examination. Credit is given but grade points are not calculated.

EXP – A grade of "EXP" indicates that a student has exempted a course through portfolio presentation. Credit is given but grade points are not calculated.

S – A grade of "S" indicates that the student has successfully mastered all of the course competencies. A grade of "S" carries no quality points, but institutional credit hours for that course will be awarded to the student.

U – A grade of "U" indicates that the student did not master of the course competencies. A grade of "U" carries no quality points.

Grade Point Average (GPA) Calculation and Definitions

The GRADE POINT AVERAGE (GPA) is calculated by multiplying the credits for each course by the quality points associated with the grade earned, totaling the points earned for all courses, and dividing the total points by the total number of credit attempts.

All grades will be assigned based upon a 4.0 grading scale.

Quality Points are assigned to each letter grade.

- A = 4.0 quality points
- B = 3.0 quality points
- C = 2.0 quality points
- D = 1 quality point
- F = 0 quality points

The assigned values for the grades are A = 4, B = 3, C = 2, D = 1, and F = 0. (D & F are unacceptable credit in a course; therefore, those grades do not satisfy the graduation requirements)

Class Code	Course Title	Hours Attempted	Grade	Grade Value	Quality Points
MATH 1013	Algebra Concepts	3	A	4	12
ENGL 1010	English	3	B	3	9
ACCT 1100	Financial Accounting	4	F	0	0
EMPL 1000	Interpersonal Relations & Professional Development 2		C	2	4

For example, 25.0 Total Quality Points divided by 12.0 Hours Attempted equals a GPA of 2.08

Cumulative Grade Point Average/Overall (GPA)

The Cumulative Grade Point Average (CGPA) is calculated using all courses attempted/earned at Coastal Pines Technical College (CPTC). Learning Support courses are not calculated in the cumulative grade point average. The cumulative GPA is an attempt to reflect the total credit instructional activity of the student. It is recalculated after each semester to include the current semester's grade(s). The CGPA is not affected by program of study, changes in the program of study, or student classification. The cumulative grade point average is that grade point average calculated on all attempts at all credit courses taken at Coastal Pines Technical College.

Graduation Grade Point Average (GPA)

The Graduation Grade Point Average is calculated using only those courses required for graduation. The Graduation GPA is used to determine eligibility for Honor Graduates. When a course is taken more than once, the highest grades will be used in calculating the grade point average for graduation. A minimum 2.0-grade point average is needed for graduation. The program GPA is used to determine eligibility for Honor recognition at graduation.

Semester GPA

The semester grade point average is calculated based on all credit courses taken each semester at CPTC.

Transfer GPA

The Transfer GPA is calculated using credit accepted from other institutions. Credits transferred count toward the requirements for graduation, but are not included in the Institutional GPA. The Transfer GPA is not used to determine Academic Standing. The Transfer GPA is used for consideration of program admission into competitive entry programs.

Grades and Other Academic Appeals

A student may appeal a final grade or other academic decision in accordance with CPTC procedure. A student may appeal by submitting a typed letter of appeal to the instructor who awarded the grade or made the academic decision within ten (10) business days from the date the student learned or reasonably should have learned of the final grade or other academic decision.

If the appeal to the instructor does not satisfactorily resolve the student's concern, he or she may further appeal to the appropriate Dean for Academic Affairs by submitting a typed letter or email of appeal and the results of the appeal to the Dean within twenty (20) business days from the date the student learned or reasonably should have learned of the final grade or other academic decision.

If the student is not satisfied with the decision of the Dean, the student may appeal to the Vice President for Academic Affairs by submitting a typed letter or email of appeal and the results of appeals to the Vice President of Academic Affairs within thirty (30) business days from the date the student learned or reasonably should have learned of the final grade or other academic decision. The decision of the Vice President for Academic Affairs shall be final.

Work Ethics

Coastal Pines Technical College, a unit of the Technical College System of Georgia, instructs and evaluates students on work ethics in all programs of study. Ten work ethic traits have been identified and defined as essential students success; students will be graded on work ethic traits in each occupational course (excluding general education, basic skills and learning support courses):

- Attendance
- Productivity
- Organizational Skills
- Attitude
- Communication
- Appearance
- Cooperation
- Teamwork
- Respect
- Character

A work ethic grade will be assigned at the end of each academic term. It will be recorded on each student's transcript but will not be calculated in the GPA. The grades assigned for work ethics are as follows:

- Exceeds expectations = 3
- Meets expectations = 2
- Needs improvement = 1
- Unacceptable = 0

Attendance Requirements

Establishing a consistent and acceptable pattern of attendance is considered an integral part of the total educational process. Coastal Pines Technical College (CPTC) stresses the importance of attending classes as scheduled, and each instructor shall evaluate student attendance and punctuality for each course.

Student Responsibility

Some academic programs have specific attendance policies. These policies will be located in the course syllabus and addressed by instructors during course introductions. It is the student's responsibility to properly withdraw from a class if required attendance cannot be maintained.

Attendance Records

The instructor's class grade book or distance education learning management system (LMS) platform or the Banner Attendance module maintained by the instructor is the College's official student record for all matters pertaining to attendance and course completion.

Attendance Withdrawal/Reinstatement

Class attendance is a very important aspect of student success. Being absent from class prevents students from receiving the full benefit of a course and interrupts the learning process. Coastal Pines Technical College

considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Attendance is required to be taken during the first session of a class and reported to the Registrar's Office through BannerWeb by each instructor. Instructors are responsible for maintaining records of attendance to comply with financial aid and federal regulations.

In instances where students are administratively dropped from the course(s) as a result of nonpayment, the student must contact the Registrar's Office to request reinstatement. Reinstatement is not guaranteed.

Students should contact their course instructor to withdraw, or if unable to reach their course instructor, contact the Registrar's office to formally withdraw. Students who stop attending class, but do not formally withdraw, may receive a grade of F and could face financial aid repercussions in upcoming semesters. Unless otherwise specified in a program attendance procedure as required by the program accreditation/licensing agency, students will not be withdrawn by an instructor for attendance. However, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities may be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an F in a course. For unofficial withdrawals without notification, or when the last date of attendance is unknown or prior to the midpoint, the midpoint of the payment period or period of enrollment will be used as the student's last date of attendance.

The purpose of the last date of attendance is to appropriately assess the financial liability for students and limit the financial liability for the College as well as the academic consequences for the student. The last date of attendance will be documented by the instructor through an "academically related activity." An academically related activity for attendance is demonstrated through active participation (simply logging into an online class is not considered active participation). Academically related activities include, but are not limited to the following:

- Physically attending a class where there is an opportunity for direct interaction between the instructor and students
- submitting a current academic assignment
- completing an exam, an interactive tutorial, or computer-assisted instruction
- participating in an online discussion within a course
- Initiating contact with a faculty member to ask a question about the academic subject studied in the course.

Assignments missed due to tardiness, early departure, or absences may be made up only at the discretion of the instructor or the procedure outlined in the course syllabus.

It is the responsibility of the student to make arrangements with the instructor for missed assignments due to documented absences related to jury duty or military duty, official college activities, or medical emergencies. Make-up work is at the discretion of the instructor and students are encouraged to make arrangements in advance when possible. Requirements for instructional and clinical hours for programs that have accrediting agencies or licensure boards reflect the rule of the respective agencies. Therefore, class and clinical attendance are required. The procedure for absences is determined by the program lead instructor, program director, or program clinical coordinator. Procedures for making up time in these specific programs will be outlined in the course syllabus.

Class Tardiness

Class tardiness procedures will vary by the course and/or program of study. This information will be located in the course syllabus and addressed by instructors during course introductions.

Make up of Work Missed

Make up work procedures will vary by the course and/or program of study. This information will be located in the course syllabus and addressed by instructors during course introductions.

Distance Education Participation

Coastal Pines Technical College (CPTC) is committed to providing students the opportunity to access quality instruction anytime, anywhere. Establishing a consistent and acceptable pattern of logging in and submitting work is considered an integral part of the total educational process. Employers who hire Technical College System of Georgia graduates consistently stress the importance of having a good punctuality record. Students are receiving an education for direct entry into the workforce. CPTC has the responsibility of attempting to instill in each student the importance of a good attendance and punctuality record. Because of this importance, an evaluation of participation is done in each course.

Students in distance education classes must contact the course instructor via CPTC email within the first five (5) calendar days of the academic term. Students who fail to contact their instructor within five days will be considered a "No Show". Students enrolled in distance education classes should actively participate in class assignments as prescribed by the course syllabus and/or instructor. Students in Distance Education courses should follow the procedures for participation and withdrawal as outlined for all courses in the handbook.

Programs Resulting in Licensure

A student who is enrolled in a program that requires licensure will be required to make up clinical hours in accordance with the program's policy. Otherwise, consent document to take the licensing or certification examination will not be signed by the instructor of that program. Students are responsible for reading and complying with attendance guidelines. Attendance regulations of programs in some fields that require licensure may exceed those of CPTC.

Attendance Appeal Process

A student who has been withdrawn from a class as a result of violating the College's Attendance Procedure can appeal for reinstatement into the class. During the appeal procedure, the student will continue to attend the class until the issue is resolved. The student has three (3) business days from the date of withdrawal to implement the appeal process, which is delineated below:

Step One (Business Days 3 through 5)

The student should appeal for reinstatement into the class, with the instructor who enforced the attendance procedure, within five business days of the withdrawal. The student's appeal packet should include a completed CPTC Student Attendance Appeal Form and supporting documentation (letters or memoranda should be typed). The instructor will respond within two business days to the student's appeal via CPTC email to the student. If the issue is not resolved by the instructor, the student has two business days to appeal to the Dean.

Step Two (Business Days 6 through 10)

The student should schedule an appointment with the Dean to continue the appeal process. The student should present the appeal packet and a copy of the instructor's response to the student's initial appeal. The student should discuss with the Dean any extenuating circumstances that may have caused absences. The Dean will review the student's appeal packet and respond to the student via CPTC email within three business days of receipt of the appeal. If the issue is not resolved by the Dean, the student has two business days to appeal to the Vice President for Academic Affairs for a final decision.

Step Three (Business Days 11 through 13)

The student should contact the Office of the Vice President for Academic Affairs (VPAA) for an appointment concerning the appeal. The student should present the appeal packet and copies of responses from the instructor and Dean. The student should discuss with the VPAA any extenuating circumstances that may have caused absences. The VPAA will review the student's appeal packet and respond to the student via CPTC email within three business days of receipt of the appeal. The decision of the VPAA is final.

The timeline for the appeal process listed above represents the maximum processing time for this procedure. The process will be expedited when possible.

Academic Standing

President's List

In order to recognize outstanding student academic achievement, a President's List is published each term. This list will consist of CPTC students enrolled full time who have attained a semester GPA of 4.0. A cumulative GPA of 2.0 or higher is also required. Students will be recognized for this honor in local and area newspapers.

Dean's List

In order to recognize outstanding student academic achievement, a Dean's List is published each term. This list will consist of CPTC students enrolled full time carrying 12 and more credit hours, who have attained a semester GPA of 3.75 - 3.99 out of a possible 4.0. A cumulative GPA of 2.0 or higher is also required. Students will be recognized for this honor in local and area newspapers.

Academic Achievement

In order to recognize outstanding student academic achievement, an Academic Achievement List is published each term. This list will consist of CPTC students enrolled in 6-11 credit hours who have attained a semester GPA of 3.75 or higher out of a possible 4.0. A cumulative GPA of 2.0 or higher is also required. Students will be recognized for this honor in local and area newspapers.

Academic Probation

The purpose of academic probation is to alert students to the fact their academic performance is not acceptable and to point out the consequences if improvements are not made during the next term of enrollment. A student who fails to maintain a minimum 2.0 semester GPA, for all work attempted in the term, shall be placed on academic probation. A student placed on academic probation (or admitted on academic probation) must attain a minimum 2.0 semester GPA during the next term of attendance to remove himself/herself from academic probationary status. Failing to attain a minimum semester GPA of 2.0 during the probationary term will result in the student being placed on academic suspension.

A student who fails to maintain the required grade point average in a particular program of study may be placed on academic probation. Failure to improve academic performance after being placed on probation shall result in suspension or dismissal from either the academic program or CPTC.

A student on academic probation is not eligible for graduation.

Academic Suspension

A student on academic probation who fails to attain a minimum semester GPA of 2.0 during the probationary term will be placed on academic suspension. A student on academic suspension must wait one full term before readmission. The student will return on academic probation. Upon readmission from academic suspension, any subsequent violation of academic probation will result in a second academic suspension.

Academic Dismissal

A student placed on academic suspension twice while in the same program will be permanently dismissed from that program, but may apply for admission to another program after waiting one term. After a third and any subsequent academic suspension, the student will be eligible to reapply for admission after one calendar year.

In appropriate circumstances, a student may be dismissed from an academic program or CPTC without first being placed on academic probation.

Readmission after Academic Dismissal

After an absence from CPTC for one calendar year, students may petition the Office of the Vice President for Academic Affairs to be considered for reinstatement. Students granted readmission to the college will be placed on Academic Probation.

Academic Appeals for Probation, Suspension and Dismissal

A student may appeal academic suspension/dismissal by submitting a letter (or email) of appeal to the Vice President for Academic Affairs (VPAA) within ten (10) business days from the date the student learned or reasonably should have learned of his or her suspension or dismissal from the College. Evidence of any extenuating circumstances should be included. If the VPAA approves, the suspension may be overturned for one term. The decision of the Vice President for Academic Affairs is final.

Additional Conditions

Cohort Programs

Because of the sequential nature of courses in certain programs (e.g. Practical Nursing, Cosmetology), a student will not be allowed to continue in the assigned cohort if a final grade of "D" or "F" is earned in any program course.

Allied Health Programs

All students enrolled in allied health programs will have their clinical program evaluated orally and in writing by their instructors with input from others responsible for their learning experiences. Unsatisfactory evaluations may be considered grounds for dismissal from the program. (See individual program evaluation requirements.)

Transfer Credit

Coastal Pines Technical College (CPTC) assumes responsibility for the academic quality of any academic credit recorded on its transcripts and ensures all academic credit is at the collegiate level and is comparable to CPTC's credit programs. Advanced placement allows a student to receive course credit based on previous experience, formal or informal, and results in advanced standing within a degree/diploma/certificate program.

Advanced placement includes the following:

- Secondary School Articulation Credit
- Standardized Exam Credit
- Military Training Credit
- Prior Learning Assessment (PLA)
- Institutional Exemption Examination

Transfer Credit

As part of the admissions process, all official transcripts submitted by applicants to the college are evaluated for credit transfer. Credit for courses at a college, university, or other postsecondary institution accredited by a national or regional accrediting agency recognized by the U.S. Department of Education and the Technical College System of Georgia and whose curriculum is equivalent to or greater than that of CPTC will be considered for award of transfer credit.

Students who have completed all or part of their secondary or postsecondary education outside of the United States are required to have their foreign educational credentials evaluated and approved by an independent evaluation agency.

Collegiate credit awarded by colleges, universities, or other postsecondary institutions not fully accredited nor in candidacy status for accreditation from a regional accrediting association will be considered for transfer credit following the verification of instructor credentials and approval by the Vice President for Academic Affairs or his/her designated authority.

CPTC will honor any academic sanctions imposed on applicants by the last postsecondary institution attended.

Awarding of transfer credit by CPTC does not guarantee that institutions subsequently attended by the student will accept the credit.

The following guidelines apply to the evaluation of transfer credit:

- An official transcript is on file from all post-secondary institutions attended. Credits from one former institution appearing on the transcript of another institution can neither be evaluated nor accepted for credit without an official transcript from the institution of origin
- A desktop review (evaluation of courses for transfer credit) is required
- A grade of "C" or higher has been earned for each course transferred
- Occupationally related technical course work should have been completed within 7 years prior to enrollment at CPTC. Credit competency Exams are available for consideration of credit for technical courses that are more than 7 years old.
- No time limits exist on transferability of general education coursework
- The course is essentially the same in content as the course at CPTC
- Maximum credit hours awarded for a transfer course will not exceed the credit hours assigned to equivalent course at CPTC
- Course descriptions, syllabi, and pertinent catalog information will be reviewed to assure course compatibility with those of CPTC. Students are responsible for obtaining appropriate course descriptions and additional documentation if needed
- Decisions regarding the transfer of academic credit are made by the Registrar

Articulated Credit

Articulated credit may be awarded for course work completed under articulation agreements when established competencies have been achieved. Credits earned in specific secondary school courses are eligible to be articulated for high school graduates as referenced by Technical College System of Georgia policy.

The following guidelines apply to CPTC articulated credit for high school graduates:

- An official high school transcript must be on file
- Student must enroll within two years of graduation
- A minimum grade of 70 must be earned in comparable secondary technical courses
- For each course to be articulated, a student must pass the respective Competency exam
- No fee shall be charged for validation of articulated credit
- Articulated credit must be defined in state agreements.

Military Training Credit

Credit may be awarded for training received in the Armed Forces. Students requesting credit should submit an official training certificate/transcript to the Admissions Office.

The following guidelines apply to military training credit for transfer:

- The training must be certified by the Guide to the Evaluation of Education Experiences in the Armed Forces published by the American Council on Education or by the official catalog of the Community College of the Air Force.
- Time limits for transfer will be the same as those for traditional transfer credit. Credit Competency Exams are available for consideration of credit for technical courses or experiences that are more than 7 years old.
- Training experience meets required competencies of courses offered at the College.
- Advanced standing credit may be awarded for military training or successful completion of a Credit Competency Exam. Training experience and Competency Exam scores must meet competency requirements for the equivalent CPTC course.
- Military training credit is recorded as "TRM" on the transcript and is not calculated in the grade point average

Standardized Exam Credit

CPTC may award credit for a limited number of college level subject exams available through several nationally recognized examination boards. Credit may be awarded for approved Advanced Placement (AP) Examinations, College Level Examination Program (CLEP), and International Baccalaureate Credit pending review by the Registrar and appropriate faculty. Advanced Placement Examinations are offered by the College Entrance Exam Board. Exams administered for CLEP subject matter are awarded according to the American Council on Education's College Board. International Baccalaureate Credit examinations are offered by the International Baccalaureate Examination Board.

The following guidelines apply to College Board examination credit:

- Students must receive a score of 3 or higher on the Advanced Placement (AP) exam
- Students must score at the 50th percentile or above on the CLEP test
- Official test scores must be sent directly from the College Board to CPTC's Office of Admissions
- Students must receive a score of 3 or higher on the International Baccalaureate Examination
- Standardized exam credit is recorded as "EXE" on the transcript and is not included in the calculation of grade point average.

Institutional Exemption Exam

For students with previous knowledge and skill acquired through experience or other means, credit may be obtained for certain specified courses by demonstrating mastery of the subject through written and/or performance exams. A student may receive course credit by passing an institutional exemption exam. The exam validates competencies and skills the student would obtain through enrollment in the course.

The following conditions govern credit by exemption exam:

- Student may not be currently enrolled in the class for which exemption is attempted
- An exemption exam may not be attempted during the same term for which student withdrew from the course he/she is attempting to exempt
- Credit by exam is prohibited for any course in which a grade of "D" or "F" has been earned by the student
- An exemption exam can be taken only once
- No more than 23 semester credit hours may be earned by institutional credit exam
- Payment of applicable exemption exam fee must be made prior to taking the exemption exam (25% of course tuition). Charges for the exam are nonrefundable and are not covered by financial aid
- No fee shall be charged to students taking an exam to validate competency following completion of required modules in a learning support class

Prior Learning Assessment (PLA)

A student seeking credit for non-credit coursework, such as on the job learning, corporate training, experiential learning or professional or industry certification, may request a Credit Competency Exam or evaluation of work experiences. Student requests for the evaluation of licensure, certifications, and/or work experience for course credit are handled on a case by case basis. Documentation is required. Appropriate faculty members, Deans and the Registrar collaborate on an evaluation of the documentation portfolio. The process ensures all course work and outcomes are at the appropriate collegiate level. A grade of "EXP" is entered to indicate successful completion of the CPTC Credit Competency exam or approval of credentials evaluation and is not included in the calculation of grade point average.

Designation of Credit

- Transfer credit is recorded as TR (A, B, or C) on the transcript and does not require the payment of course fees. The credit is not included in the calculation of the student's grade point average except for consideration of program admission into competitive admission programs
- Military training credit is recorded as "TRM" on the transcript and is not calculated in the grade point average
- Articulation credit is recorded as "AC" (A, B, or C) on the transcript. This credit is not included in the calculation of the student's grade point average except for consideration of program admission into competitive admission programs
- Exemption Credit is recorded as "EXE (Exam) or EXP (Portfolio)" on the transcript and is not included in the calculation of grade point average

Student Dress Code

The purpose of the Student Dress Code is to ensure that students are aware of what type of dress is considered appropriate and what is expected of them. Coastal Pines Technical College (CPTC) simulates the business/ industrial environment. CPTC invites the community to tour the facilities, and community events are held at many of its sites, with this in mind, students should dress in an appropriate manner.

All clothing and uniforms will be suitable for specific laboratory, clinical, or industry-related activities of the student's chosen occupation; meet safety and health requirements for the occupation; and conform to commonly accepted standards of modesty and privacy. Each student's dress, grooming, and personal hygiene must be appropriate in the classrooms, laboratories, shop areas, and clinical sites. The supervising administrator shall determine if the particular mode of dress results in disruptions or interference.

Students shall not dress, groom, wear, or use emblems, insignias, badges, or other symbols or lewd or vulgar words where the effect thereof is offensive to a reasonable person or otherwise causes disruption or interference with the orderly operations of the college.

Dress requirements vary in classrooms, laboratories, and shop areas. Students enrolled in internships and clinical courses are required to dress appropriately according to the requirements of the work for which they are being trained.

Definitions of appropriate attires are listed below.

- **Business Attire:** Determined by the instructors of the business programs. Students in business-related classes may be required to dress in business attire for business dress days in reference to their work ethics lesson.
- **Clinical Attire:** Uniforms consist of scrub top and pants, uniform top and pants/skirts or dress uniform and closed toe shoes.
- **Industrial/Technical Attire:** Industrial/technical attire consists of long sleeve cotton denim shirts, jeans with no tears or holes and leather work boots for welding programs. Short- or long-sleeved shirts, jeans, trousers, and tennis shoes are acceptable. Shorts are not acceptable for industrial/technical classes with labs.

The Vice President for Student Affairs of CPTC may designate the dress code that is appropriate for particular events. All CPTC students are expected to abide by the Student Dress Code standards identified. If a student has a question or needs special accommodations relating to the Dress Code, the student should discuss the request with his/her instructor or program advisor first and if further clarification is needed, with the Vice President for Student Affairs. CPTC will make every effort to provide reasonable accommodations based on the student's request. Requests for medical or religious accommodations must be made in writing by completing the Student Request for Medical or Religious Accommodation(s) Form. After a discussion with his/her program advisor, the Vice President for Student Affairs will approve, deny or recommend a modified accommodation based on the request. The Vice President for Student Affairs or designee will respond to the request within five (5) business days. The final approval will be submitted to the program advisor.

If any student does not meet the Dress Code standards, the student will be required to leave his/her respective campus and return dressed in appropriate attire. The student will be considered absent if the student misses a scheduled class due to violating the Student Dress Code. Violation of the student dress code procedure will result in appropriate corrective measures up to and including disciplinary action and will be reflected in the work ethics grade.

Software Piracy

Software piracy is illegal and grounds for disciplinary action up to and including dismissal of employees who have illegally copied software. Penalties for illegally copying software are severe. According to the Business Software Alliance website:

Penalties for Illegal Software

Infringement of copyright may constitute a criminal offense, exposing individuals and companies to substantial penalties and in the case of individuals, even imprisonment.

Criminal Penalties

Under the Copyright Act, making an infringing copy of software with the intention of obtaining a commercial advantage or profit and if the person knows or ought reasonably to know that the copy is infringing copyright and is now a criminal offense. Offenders may be liable for:

- Fines up to \$93,500 and /or up to five years imprisonment for individuals
- Fines up to \$467,500 and/or up to five years imprisonment for companies.

Civil Penalties

Making or using illegal copies of software for your personal use or at work is a civil offense under the Copyright Act and offenders are liable for:

- Damages of an unlimited amount (determined by the Court)
- Court costs in many circumstances, which can also be substantial.

It does not make any difference who loads the software. For example, if an employee loads personal software on a CPTC computer and then the software is copied by others at the College, the College is liable even though it was unaware of the activity. Any software on CPTC-owned computers including laptops, tablets, and smartphones used at home, in a classroom or in an office for which Coastal Pines Technical College does not have a license must be removed immediately. This is an excerpt from the Business Software Alliance website.

Many businesses, both large and small, face serious legal risks because of software piracy. Under the law, a company can be held liable for its employees' actions. If an employee is installing unauthorized software copies on company computers or acquiring illegal software through the Internet, the company can be sued for copyright infringement. This is true even if the company's management was unaware of the employee's actions.

The burden of obtaining the copyright, patent, license, and/or trade secret rights, including cost, is that of the owner.

Revenue

Revenues derived from the development and creation of college-owned intellectual property are distributed to college revenue funds as determined by the president. In the event that intellectual property is licensed to the originator, the full rights for the copyright, patent, or trademark, and any resulting royalties or profits, shall remain with the originator.

All cases, in which questions arise as to the equities, rights division of revenues, or any other intellectual property-related matter, shall be referred to the College Council for consideration, interpretation of procedure, and decision. Student Disciplinary Procedure

Article IV: Judicial Policies

1. Filing a Complaint

- Any person may file a complaint with the Vice President for Student Affairs or designee against any student for an alleged violation of the Student Code of Conduct. The individual(s) initiating the action should complete a Student Code of Conduct Complaint Form, and provide it to the Vice President for Student Affairs.
- Academic Misconduct may be handled using this procedure or a separate Academic Misconduct Procedure at the discretion of the technical college president.
- Investigation and Decision
 - Within five business days after the Student Code of Conduct Complaint Form (the "Complaint") is filed, the Vice President for Student Affairs shall complete a preliminary investigation of the incident, and schedule a meeting with the student against whom the complaint was filed in order to discuss the incident and the allegations. In the event that additional time is necessary, the Student will be notified. After discussing the complaint with the student, the Vice President for Student Affairs or designee shall determine whether the student committed the alleged conduct, and whether the alleged conduct constitutes a violation of the Student Code of Conduct.
 - The student shall have 5 business days from the date contacted by the Vice President for Student Affairs to schedule the meeting. This initial meeting may only be rescheduled one time. If the student fails to respond to the Vice President for Student Affairs within 5 business days to schedule the meeting, reschedules the meeting more than once, or fails to appear at the meeting, the Vice President for Student Affairs will consider the available evidence without student input and make a determination.
 - In the event that a Complaint alleges violations of the Student Code of Conduct by more than one student, each student's disciplinary proceeding, as well as any appeals relating to that proceeding, shall be conducted individually.
 - If the Vice President for Student Affairs determines that the student has violated the Student Code of Conduct, he/she shall impose one or more disciplinary sanctions consistent with those described below. If the Vice President for Student Affairs determines that the alleged conduct did not occur, or that the conduct was not a violation of the Student Code of Conduct, he/she shall not impose any disciplinary sanctions on the student and the investigation shall be closed.

2. Disciplinary Sanctions

Based on the severity of the incident, the Vice President for Student Affairs may take one of two actions:

- After a determination that a student has violated the Student Code of Conduct, the Vice President for Student Affairs may impose, without referral to the Hearing Body, one or more of the following sanctions. Notification shall be sent to the student and the person(s) who initially filed the complaint.
 - Restitution – A student who has committed an offense against property may be required to reimburse the technical college or other owner for damage to or misappropriation of such property. Any such payment in restitution shall be limited to the actual cost of repair or replacement.
 - Reprimand – A written reprimand may be given to any student. Such a reprimand does not restrict the student in any way, but it signifies to the student that he/she is in effect being given another chance to conduct himself/herself as a proper member of the technical college community, and that any further violation may result in more serious sanctions.

- Restriction – A restriction upon a student's privileges for a period of time may be imposed. This restriction may include but is not limited to denial of the right to represent the technical college in any way, denial of use of facilities, alteration or revocation of parking privileges, or restrictions from participating in extracurricular activities.
- Disciplinary Probation – Continued enrollment of a student on probation may be conditioned upon adherence to specified terms. Any student placed on probation will be notified of the terms and length of probation in writing. Any conduct determined after due process to be in violation of these terms while on probation may result in the imposition of more serious disciplinary sanctions, as specified by the terms of probation.
- Failing or lowered grade – In cases of Academic Misconduct, the Vice President for Student Affairs will make a recommendation to the Vice President for Academic Affairs or his/her designee who may authorize the instructor to award a failing or lowered grade in the course, or a loss of credit on the assignment or examination.
- After a determination that a student has violated the Student Code of conduct, the Vice President for Student Affairs may recommend the imposition of one of the following sanctions if appropriate. The Vice President for Student Affairs' recommendation will be forwarded to the Hearing Body, which may impose one or more of the following sanctions, as well as those described in section VI.2 above, following a hearing. A copy of the written recommendation shall be provided to the student and the person filing the complaint.
 - Disciplinary Suspension – If a student is suspended, he/she is separated from the technical college for a stated period of time. Conditions of reinstatement, if any, must be stated in the notice of suspension.
 - Disciplinary Expulsion – Removal and exclusion from the technical college, Technical College controlled facilities, programs, events, and activities. A record of the reason for the student's dismissal is maintained by the Vice President for Student Affairs. Students who have been dismissed from the technical college for any reason may apply in writing to the Vice President for Student Affairs for reinstatement twelve (12) months following the expulsion. If approval for reinstatement is granted, the student will be placed on disciplinary probation for a specified term. The probationary status may be removed at the end of the specified term at the discretion of the Vice President for Student Affairs.
 - System-Wide Expulsion – Where a student has been expelled or suspended three times from the same or different colleges in the Technical College System of Georgia in the past seven years, the student will not be permitted to register at any college in the Technical College System of Georgia for a period of ten years after the most recent expulsion/suspension.
- Violation of Federal, State, or Local Law
 - If a student is convicted or pleads nolo contendere to an off-campus violation of federal, state, or local law, but not with any other violation of the Student Code of Conduct, disciplinary action may be taken and sanctions imposed for misconduct that is detrimental to the technical college's vital interests and stated mission and purpose.
 - Disciplinary proceedings may be instituted against a student charged with violation of a law that is also a violation of the Student Code of Conduct if both violations result from the same factual situation, without regard to criminal arrest and/or prosecution. Proceedings under this Student Code of Conduct may be carried out prior to, simultaneously with, or following criminal proceedings.
 - When a student is charged by federal, state, or local authorities with a violation of law, the technical college will not request or agree to special consideration for that individual because of his/her status as a student. The technical college will cooperate fully with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.
- Interim Disciplinary Suspension – As a general rule, the status of a student accused of violations of the Student Code of Conduct should not be altered until a final determination is made regarding the allegations against him/her. However, interim suspension may be imposed upon a finding by the Vice President for Student Affairs that the continued presence of the accused student on campus constitutes a potential or immediate threat to the safety and well-being of the accused student or any other member of the technical college community or its guests, or that the continued presence of the student on campus creates a risk of substantial disruption of classroom or other technical college-related activities. If an interim disciplinary suspension is imposed, the matter must be referred as soon as possible to the Hearing Body. The student need not request an appeal.

- Conditions of Disciplinary Suspension and Expulsion
 - A student who has been suspended or expelled from the technical college shall be denied all privileges afforded a student and shall be required to vacate technical college Premises at a time determined by the Vice President for Student Affairs.
 - In addition, after vacating the technical college Premises, a suspended or expelled Student may not enter upon the technical college Premises at any time, for any purpose, in the absence of written permission from the Vice President for Student Affairs. A suspended or expelled student must contact the Vice President for Student Affairs for permission to enter the technical college Premises for a limited, specified purpose.
 - If the student seeks to submit a signed Disciplinary Sanction Appeal Form, the Vice President for Student Affairs must accept the form by mail or fax if he/she refuses the Student's request to enter the Technical College Premises for that specified purpose.
 - A scheduled appeal hearing before the Hearing Body shall be understood as expressed permission from the Vice President for Student Affairs for a student to enter the technical college Premises for the duration of that hearing.
- 3. Mediation
 - At the discretion of the technical college president the technical college may adopt a mediation procedure to be utilized prior to the appeals set forth herein. Mediation may never be used in cases of alleged sexual misconduct.
- 4. Hearing/Appeals Procedure
 - A student who wishes to appeal a disciplinary decision by the Vice President for Student Affairs regarding an assigned sanction of restitution, reprimand, restriction, disciplinary probation, or failing or lowered grade must file a written notice of appeal through the technical college president's office for review by the Hearing Body within five business days of notification of the decision. The person filing the initial complaint against the student must be notified of the hearing date.
 - If the Vice President for Student Affairs recommended a sanction of disciplinary suspension, disciplinary expulsion, interim disciplinary suspension, or system-wide expulsion, the matter will be referred to the Hearing Body by the Vice President for Student Affairs. The student need not file a written notice of his or her desire to appear before the Hearing Body. The person filing the initial complaint shall also be given notification of the hearing.
 - The student will then have the right to appear in a hearing before a Hearing Body assigned by the technical college president or his/her designee within 10 business days to present evidence and/or testimony. If the student has been placed on an interim disciplinary suspension, the hearing must be held as soon as possible, preferably within five days. The student has the right to be assisted by any single advisor he/she chooses, at his/her own expense. The student is responsible for presenting his/her own case and, therefore, advisors are not permitted to speak or to participate directly in any hearing before a Hearing Body. The Hearing Body may consist of a single person or a group of people drawn from the technical college community. There shall be a single official record, such as a tape recording, of all hearings before the Hearing Body. The official record shall be the property of the technical college. The standard of proof in all hearings shall be a preponderance of the evidence. The chairperson of the Hearing Body shall notify the technical college president and the Vice President for Student Affairs in writing of the Hearing Body's decision. The technical college president or his/her designee will notify the student in writing of the Hearing Body's decision.
 - If the student appeared before the Hearing Body to appeal the Vice President for Student Affairs' sanction of restitution, reprimand, restriction, disciplinary probation, or failing or lowered grade, the Hearing Body's decision regarding the appeal is final.
 - A copy of the Hearing Body's written decision will be provided to both the student and the person who filed the original complaint.
 - If the student appeared before the Hearing Body after the Vice President for Student Affairs recommended disciplinary suspension, disciplinary expulsion, interim disciplinary suspension, or system-wide expulsion, the student shall have the opportunity to appeal directly to the technical college president.
 - If entitled to an appeal to the technical college president, the student shall have 5 business days after receiving written notification of the Hearing Body's decision to request in writing an appeal. The student shall ensure that all relevant information is included with this request. The person who filed the original complaint shall be notified of the student's appeal.
 - The president of the technical college or his/her designee's review shall be in writing and shall only consider evidence currently in the record, new facts not brought up in earlier stages of the appeal shall

not be considered. The technical college president or his/her designee shall deliver the decision to the student and the person who filed the original complaint within 10 business days. The decision of the technical college president or his/her designee shall be final and binding.

Document Retention

The Vice President for Student Affairs shall retain a copy of all documents concerning complaints, investigations, administrative actions, and communications in relation to any incident that resulted in a disciplinary investigation of any kind against a student. The Vice President for Student Affairs will also retain records of any disciplinary appeals filed by the affected student, as well as the resulting record of appeal and decision submitted by the Hearing Body and the technical college president or his/her designee. A record of the final decision must also be retained. All records specified in this section shall be retained for a period of five years.

Student Complaints Grievances

Coastal Pines Technical College (CPTC) students have the right to file informal and formal complaints regarding issues arising from the application of a policy or procedure. It is the policy the Technical College System of Georgia (TCSG) and CPTC to maintain a complaint process available to all students that provides an open and meaningful forum for their complaints, resolution of those complaints, and is subject to clear guidelines. Complaints are considered formal when the concern is submitted in writing and the document specifically indicates the writer intends to file a formal complaint. Concerns submitted by email will be considered informal unless the body of the email specifically indicates otherwise.
