Tuition and Fees

Students attending Coastal Pines Technical College (CPTC) shall normally be charged tuition and related fees, unless otherwise exempted.

Tuition for courses in curriculum leading to a certificate, diploma, or associate degree shall be charged on a uniform basis.

Tuition Fees

Georgia Student Tuition

Students who are classified as Georgia Students under TCSG's residence policies and procedures will be charged the rate of tuition set for in-state students by TCSG.

Out-of-State Tuition

Students who are classified as Out of State students under TCSG's residence policies and procedures will be charged a rate of tuition twice that charged for students who are classified as Georgia Students.

Non-Citizen Tuition

Non-Citizen Students shall not be classified as Georgia Students for tuition purposes unless lawfully present in this state and there is evidence to warrant consideration of that classification. They are to be charged a rate of tuition four times that charged for students who are classified as Georgia Students.

Lawful permanent residents, refugees, asylees, or other Eligible Non-Citizens as defined by federal regulations may be extended the same consideration as citizens of the United States in determining whether they qualify as Georgia Students. Students who reside in the United States under nonimmigrant status conditioned at least in part upon intent not to abandon a foreign domicile are NOT eligible to qualify as Georgia Students for tuition purposes.

All fees, other than tuition, shall be at the same rate for all students.

Tuition Exemption

Senior Citizen Exemption

Upon request, Georgia residents over sixty-two (62) years of age may attend technical colleges, for credit courses only, without charge or payment of the standard tuition rate on a space available basis.

Verification of Lawful Presence

Effective January 1, 2012, all students applying for in-state tuition must provide validation of lawful presence in the United States. The following documents will serve as proof of lawful presence in the United States and documentation will be required before a student is eligible for consideration of in-state tuition:

- A current Driver’s License issued by the State of Georgia after January 1, 2008
- A current ID issued by the State of Georgia after January 1, 2008
- A current Driver’s License or ID issued by a state that verifies immigration status and only issued to persons lawfully present in the United States
The Technical College System of Georgia (TCSG) will accept the following:

- Alabama: Issued after August 1, 2000
- Florida: Issued after January 1, 2010 AND have a gold star in the upper right hand corner
- South Carolina: Issued after November 1, 2008
- Tennessee: Issued after May 29, 2004
- A certified U.S. Birth Certificate showing the student was born in the U.S. or a U.S. territory (A photocopy is not acceptable.)
- An approved completed FAFSA for the current financial aid year
- A current, valid Permanent Resident Card (USCIS form 1-151 or 1-551)
- A current, valid military identification card for active duty soldiers or veterans
- A U.S. Certificate of Birth Abroad issued by the Department of State (DS-1350) or a Consular Report of Birth Abroad (FS-240)
- A current U.S. Passport
- A U.S. Certificate of Citizenship (USCIS form N-560 or N-561)
- A U.S. Certificate of Naturalization (USCIS form N-550 or N-570)

Any student who cannot be verified as lawfully present in the United States is not eligible to be considered for in-state tuition, regardless of how long he or she has lived in Georgia. In addition to being lawfully present in the United States, students must meet the in-state tuition requirements as outlined in TCSG Board Policy and Procedure 6.2.2 to warrant an in-state classification. Students that are initially classified as out-of-state and successfully petition to have their residency changed to in-state also have to meet the verification requirement.

Fee Payment

Payments may be made to the cashiers during regular business hours or online via BannerWeb.

Personal checks shall be accepted with proper identification by the College for fees, tuition, services, and bookstore items. When a bank refuses to honor a personal check, the college shall charge a service fee to the person who presented the check. This service fee may not exceed $30 or 5% of the face value of the check, whichever is greater, plus the amount of any fee charged to the College by the financial institution.

Students shall be notified by mail of a dishonored check and the Business Office shall place an “administrative hold” on the students’ accounts and records. Until the “administrative hold” is cleared, the student shall not be issued grade reports, transcripts, or any other student records, or allowed to register, graduate or receive college services. If the dishonored check was for tuition, the college may also administratively drop or withdraw the student from class(es).

Due diligence in collection activities will be practiced by the College, up to and including referral to court and/or collection agencies, as deemed appropriate.

Refund Guidelines

The following guidelines apply to refunds of tuition and fees:

Credit Courses

• All tuition and fees, excluding the application fee, shall be refunded if a student does not commence class attendance.
• Students who attend class but formally withdraw from a course by the end of the third instructional/business day of the term will receive no grade for the course and will receive 100% refund of applicable tuition and fees. Financial Aid Awards will be adjusted accordingly.* Exceptions may be allowed for customized courses that do not follow the CPTC standard academic calendar.
• Students who have commenced class attendance and withdraw from a course after the end of the third instructional/business day of the term shall receive a grade of ‘W’, ‘WP’ or ‘WF’ and shall receive no refund of tuition and fees.

Return to Title IV Funds Policy

Students who are receiving federal financial aid, Federal Pell Grant or Federal Supplemental Education Opportunity Grant (FSEOG), and withdraw from all classes prior to completing more than 60 percent of the semester will have their eligibility for financial aid recalculated and may be required to repay all or a portion of any federal financial aid funds received for that semester. This policy applies to all students who withdraw, drop out, or are suspended or expelled from CPTC and who have received Title IV funds. Students are responsible for paying this debt. Students’ records will be placed on hold and he/she will not be allowed to register for classes until this amount owed is paid in full.

Non-Credit Courses

• Persons enrolled in non-credit courses that are canceled due to insufficient enrollment at the discretion of the College will receive a 100% refund of all fees.
• Persons providing written notification to the Economic Development Department at least 48 hours prior to the beginning of a course will receive a 100% refund of all fees.
• No refunds will be made after the course begins without written approval of the Vice President for Economic Development.

Bookstore
• No refund shall be made for expendable supplies and equipment (i.e., cosmetology kits, diskettes, tools, book bags and totes, clothing, etc.) Exchanges may be allowed for a limited time.
• Refunds shall be made for books that are returned in new, resalable condition and accompanied by the original receipt in accordance with the book refund procedure. The book refund procedure shall be prominently posted in the College Store.

National Emergencies

• All tuition and fees will be refunded to any student who is required to withdraw from courses as a result of being called into active duty.
• All tuition and fees will be refunded to any student required to relocate in response to a national emergency.

Special Conditions

• No refund of tuition and fees shall be made to any student who has commenced attendance and does not formally withdraw, is suspended for disciplinary reasons, or leaves the college as a result of disciplinary action.
• No refund of tuition and fees shall be made for reducing course load after the first three instructional/business days of the term unless the institution is at fault.

Disbursement

• Refunds shall be made without requiring a request from the student.
• Refunds shall be made within 30 days of the last day of attendance if written notification of withdrawal has been provided to the College by the student or within 30 days of the date the institution was made aware of an unofficial withdrawal.

Financial Obligations - Holds

Students who are delinquent in the payment of any financial obligation(s) will be placed on "Hold" and will not be allowed to register until all delinquent fees are paid. In addition, students will not be allowed to access grade reports, transcripts, or other student records until all delinquent fees are paid. Students may incur additional fees if debt is turned over to a collection agency.
